

1           Very well. The Chair has this announcement or  
2 series of announcements to make.

3           The present temperature is 28 degrees. It is  
4 not expected to get any warmer. The snow in the Washington  
5 area is turning to sleet. The snow is expected to end at  
6 approximately 8 to 9 p.m. It will have further accumula-  
7 tions of up to four to five inches. The temperatures this  
8 evening and tonight will be in the upper 20's and low 30's.  
9 The winds tonight will be approximately 10 to 20 miles per  
10 hour. There is approximately five inches of snow in  
11 Annapolis at the present time. State offices in the  
12 Annapolis area are closing at 3:30 p.m. Under the circum-  
13 stances, I think it desirable that we adjourn at an early  
14 hour. I will ask Delegate Powers to consult with the  
15 Chair in a few minutes to make a few minutes and determine  
16 at what hour to adjourn.

17           Delegate Powers, could you come up to the  
18 rostrum now?

19           DELEGATE STORM: Mr. Chairman, your announcement  
20 just changed my mind. I don't know whether you want us to  
21 stand again or not.
